If you currently receive temporary assistance or need help with the cost of camp, you may be eligible for assistance through DSS for the Summer Day Camp. Please follow the steps below to apply for assistance and secure space for your child in our summer day camp program:

1. If you don't have an open case with DSS please call them to complete an eligibility pre-screening. Contact Carrie Baylor at 274-5221, Robin Collins at 274-5237 or main desk at 274-5612.
2. If you already have an open case please contact your caseworker.
3. If you are deemed eligible you should complete the DSS application. DSS staff can help.
4. You should submit a completed registration form to DSS that indicates which day camp you are interested in for your child(ren).
5. You must also submit enrollment packets to the Child Development Council – one that is pre-filled by Enfield Summer Day Camp (Eric Carter) and a short family enrollment packet. Those packets are available through Eric Carter. Original signatures from you and Eric are required on the enrollment packets.
6. After the DSS application is completed and the registration information is processed an authorization for payment will be issued to you that indicates the amount of assistance that you will receive and the parent share due, if any. **To officially register your child complete the steps above and present your completed program registration form and authorized for payments to Enfield Community Council Summer Camp.**

Going through this process takes time. Please start as early as possible, say by April/May, to give yourself an adequate amount of time to complete all the necessary steps and secure spaces in camp. The ECC Summer Camp will work with you to ensure that those spaces are secured.

For Older Youth

There is a Counselor-In-Training (CIT) program for teens 14-15 year old interested in summer employment/ opportunities to work with youth and gain work experience. Contact Eric Carter for more information.
